PakCareer Survey: Google Form Spec (for Moosa)

Goal: collect real responses from Pakistani students so we have local data next to the 145k-row international RIASEC dataset. Sections B and C use **exactly the same questions and scales** as that dataset, so the two can be merged for training and compared in the bias check. Section D is the Pakistan-specific part that makes the project original.

Target: 25+ responses. Send it to FAST and other college/university WhatsApp groups, juniors still in FSc/A-Levels, siblings and cousins. **Deliverable 1 snapshot:** export whatever we have by **22 Oct, 8 PM**. The form can stay open after that. **Time to fill:** about 8 minutes.

Form settings

- Do **not** collect email addresses. Do not ask for names or roll numbers.
- Make every question required **except** the ones marked *(optional)*.
- Linear scale questions: use **"Multiple choice grid"** for Sections B and C, so each section is a single grid and it's quick to fill on a phone.
- Link the form to a Google Sheet (Responses → Link to Sheets). Share the sheet with Kabeer and Hasan as **Viewer**.

Intro text (paste at the top of the form)

> This anonymous survey is part of a FAST NUCES AI course project that helps Pakistani students choose a degree that fits them. It takes about 8 minutes. We do not collect your name or email. Responses are used only for this academic project. By continuing, you agree to take part. If you are under 18, please continue only if you are comfortable doing so.

Section A: About you

1. **Age**: short answer (number)
2. **Gender**: Male / Female / Prefer not to say
3. **City you live in**: dropdown: Lahore, Karachi, Islamabad, Rawalpindi, Faisalabad, Multan, Peshawar, Quetta, Gujranwala, Sialkot, Hyderabad, Other
4. **Where did you grow up?**: Rural (village) / Small town / City
5. **Current status**: Still in college (FSc/ICS/ICom/FA/A-Levels) / 1st or 2nd year university / 3rd or 4th year university / Graduated
6. **Intermediate / A-Level group**: Pre-Medical / Pre-Engineering / ICS (Computer Science) / ICom (Commerce) / FA (Arts) / A-Levels / Other
7. **Approximate intermediate or A-Level marks (%)**: Below 60 / 60–70 / 70–80 / 80–90 / Above 90 / Not yet known
8. **Degree you are studying or plan to study**: short answer (e.g. "BS Computer Science", "MBBS")

Section B: What would you enjoy doing?

Grid instructions: *"Rate how much you would enjoy doing each activity. Don't worry about whether you are trained for it or how much it pays."* Columns: **1 Dislike · 2 · 3 Neutral · 4 · 5 Enjoy**

Rows. Keep this exact order; the codes in brackets are for us and must **not** appear on the form.

Code	Activity
R1	Test the quality of parts before shipment
R2	Lay brick or tile
R3	Work on an offshore oil-drilling rig
R4	Assemble electronic parts
R5	Operate a grinding machine in a factory
R6	Fix a broken faucet
R7	Assemble products in a factory
R8	Install flooring in houses
I1	Study the structure of the human body
I2	Study animal behavior
I3	Do research on plants or animals
I4	Develop a new medical treatment or procedure
I5	Conduct biological research
I6	Study whales and other types of marine life
I7	Work in a biology lab
I8	Make a map of the bottom of an ocean
A1	Conduct a musical choir
A2	Direct a play
A3	Design artwork for magazines
A4	Write a song
A5	Write books or plays
A6	Play a musical instrument
A7	Perform stunts for a movie or television show
A8	Design sets for plays
S1	Give career guidance to people
S2	Do volunteer work at a non-profit organization
S3	Help people who have problems with drugs or alcohol
S4	Teach an individual an exercise routine
S5	Help people with family-related problems
S6	Supervise the activities of children at a camp
S7	Teach children how to read

Code	Activity
S8	Help elderly people with their daily activities
E1	Sell restaurant franchises to individuals
E2	Sell merchandise at a department store
E3	Manage the operations of a hotel
E4	Operate a beauty salon or barber shop
E5	Manage a department within a large company
E6	Manage a clothing store
E7	Sell houses
E8	Run a toy store
C1	Generate the monthly payroll checks for an office
C2	Inventory supplies using a hand-held computer
C3	Use a computer program to generate customer bills
C4	Maintain employee records
C5	Compute and record statistical and other numerical data
C6	Operate a calculator
C7	Handle customers' bank transactions
C8	Keep shipping and receiving records

(Do not reword or translate these. They must match the training dataset word for word.)

Section C: How do you see yourself?

Grid instructions: *"I see myself as:"* Columns: **1 Disagree strongly · 2 Disagree moderately · 3 Disagree a little · 4 Neither agree nor disagree · 5 Agree a little · 6 Agree moderately · 7 Agree strongly**

Code	Row
TIPI1	Extraverted, enthusiastic
TIPI2	Critical, quarrelsome
TIPI3	Dependable, self-disciplined
TIPI4	Anxious, easily upset
TIPI5	Open to new experiences, complex
TIPI6	Reserved, quiet
TIPI7	Sympathetic, warm
TIPI8	Disorganized, careless
TIPI9	Calm, emotionally stable
TIPI10	Conventional, uncreative

Section D: Choosing your degree

Use the same field list for questions 1–3: **Medicine / Health · Engineering · Computer Science / IT · Business / Commerce · Law · Arts & Humanities · Pure Sciences · Other**

1. **Which field would YOU most like to study?** (one choice)
2. **Which field do your PARENTS most want you to study?** (one choice + "They have no preference")
3. **Which field are you actually studying or going to study?** (one choice + "Not decided yet")
4. **Who mainly decided (or will decide) your degree?**: Me / My parents / Both equally / Other relatives / Teachers or counsellors
5. **How much pressure do you feel from family about your degree choice?**: scale 1 (None) to 5 (A lot)
6. **If you are already studying: how satisfied are you with your field?**: scale 1 (Very unsatisfied) to 5 (Very satisfied), plus "Not studying yet"
7. **If you could switch fields with no family objection, would you?**: Yes / Maybe / No / Not studying yet
8. **What would most convince your parents to accept a different field?**: Salary data / Job availability in Pakistan / Success stories of others / Advice from a teacher or counsellor / Nothing would / Other
9. **Father's field of work** *(optional)*: same field list + Government service · Own business · Armed forces · Not working · Prefer not to say
10. **Mother's field of work** *(optional)*: same list + Homemaker
11. **Are you the first in your family to attend university?**: Yes / No

Attention check (put it in the middle of Section B's grid)

Add one extra row: **"Select 'Neutral' for this row"**. Responses that don't pick 3 get dropped during cleaning. This is the same idea as the fake words in the RIASEC dataset.

Handover to the team

1. Send Kabeer and Hasan the **form link** as soon as it's live, so we can sanity-check it before sharing.
2. On **22 Oct by 8 PM**, download the sheet as CSV (**File → Download → CSV**). Name it `pk_survey_raw_2026-10-22.csv` and send it privately. Do **not** commit it to GitHub; the cleaning script will read it from `data/raw/`.
3. Commit this spec and a screenshot or PDF of the final form to the repo under `survey/` from **your own GitHub account**. That's the evidence of collection for the report.
